**GENERAL INFORMATION AND INSTRUCTIONS RELATING TO REMOTE E-VOTING:**

**Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in Demat mode.**

**Step 2: Access through the CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in Demat mode.**

- (i) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09 December 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facilities to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to public consultation, it has been decided to enable e-voting to all the Demat account holders, by way of a single login credential, through their Demat accounts/websites of Depositories/Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing the ease and convenience of participating in the e-voting process.

## EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

### ITEM NO. 1: TO CONSIDER AND APPROVE THE PROPOSAL FOR CAPITAL RAISING IN ONE OR MORE TRanches BY WAY OF ISSUANCE OF EQUITY SHARES AND/OR EQUITY LINKED SECURITIES.

This update is to inform shareholders that management has ambitious plans to significantly scale the Company in the coming years. The Vision 2027 for MPS is to create a compelling learning company at a substantial scale that enables the world to learn more effectively. MPS aims to be the provider of choice in our markets, facilitating experiential learning experiences through the latest technological innovations. By FY28, the Company aspires to reach INR 1,500 Crores in revenue while maintaining similar profit margins.

MPS is diligently executing a well-considered and tested growth strategy known as Going Gestalt, which continues to yield strong business results. This approach includes a revised Go-To-Market (GTM) strategy, a stronger focus on cross-selling and upselling in key accounts, the acquisition of new customers across various business segments, the launch of new capabilities such as DigiCore Pro, and the accelerated integration of AJE into MPS. This progress has bolstered confidence in the management's ability to sustain momentum.

MPS has a proven track record of successfully managing acquisitions, as demonstrated by the last 10 investments since 2012. The markets in which MPS operates are highly fragmented and primed for consolidation. Inorganic growth presents opportunities to enhance product and service offerings, increase scale, and further reinforce the Company's position as a market leader. To capitalize on these growth opportunities, the Company is exploring strategic acquisitions, investments, and buyouts. The year 2025 is shaping up to be another period of expansion for MPS. MPS has an excellent opportunity to make large strides toward Vision 2027 in FY26. The Company is actively assessing potential strategic acquisition opportunities that could positively influence its trajectory. Multiple opportunities are currently in advanced stages of finalization at competitive price points. Consequently, access to readily available funds is essential for efficiently closing these opportunities in a timely manner.

Accordingly, the Board of Directors of the Company (hereinafter referred to as the 'Board' which term shall deem to include 'Fund Raising Committee' or such other Committee as constituted or to be constituted by the Board to exercise one or more of its powers, including the powers conferred by this resolution) at their meeting held on 28 February 2025, had considered and accorded their enabling approval for raising funds to the tune of up to INR 300 Crores (Rupees Three Hundred Crores Only) in one or more tranches, on such terms and conditions as it may deem fit, by way of issuance of Equity Shares, and/or securities convertible into Equity Shares at the option of the Company and/or the holders of such securities, and/or securities linked to Equity Shares, and/or any other instrument or securities representing Equity Shares and/or convertible securities linked to Equity Shares (all of which are hereinafter collectively referred to as "Securities") through one or more of the permissible modes including but not limited to private placement, qualified institutions placement. The issue of Securities may be consummated in one or more tranches at such time or times at such price and to such classes of investors as the Board (including any duly authorized committee thereof) may in its absolute discretion decide, having due regard to the prevailing market conditions and any other relevant factors and wherever necessary, in consultation with book running lead manager(s) and other agencies that may be appointed, subject to the SEBI ICDR Regulations, Companies Act, 2013 and other applicable guidelines, notifications, rules and regulations.

The fund to

be used for general corporate purposes, if any, shall not exceed 25% of the funds to be raised under QIP. In line with our inorganic growth strategy, we continue to selectively evaluate acquisition and investment opportunities which complement our service offerings, strengthen or establish our presence in target geographies, enhance our knowledge base and know-how and create synergies with existing businesses and operations. These acquisitions and investments shall align with the Company's objectives as outlined in the Memorandum of Association. The proceeds from the proposed Issue shall be utilized for any of the aforesaid purposes to the extent permitted by law. The Issue and allotment would be subject to obtaining the necessary regulatory approvals, if any.

This may entail rescheduling and revising the proposed utilisation of the net proceeds and reallocation of the funds from their planned allocation at the discretion of the management, subject to compliance with applicable laws. If the net proceeds are not completely utilised for the purposes stated hereinabove due to factors such as (i) economic and business conditions; (ii) increased competition; (iii) delay in procuring and operationalizing assets; (iv) receiving the necessary approvals; (v) force majeure and/or (vi) other commercial considerations, the same may be utilised (in part or full) as may be decided by the Board, in accordance with applicable laws.

The Board (including any duly authorized committee thereof) may in their discretion adopt any one or more of the mechanisms prescribed above to meet its objectives as stated in the aforesaid paragraphs without the need for fresh approval from the Members of the Company.
